

SCREENSHOTS OF WEBSITE APPLICATION

Home Page

The Home Page contains the Login and the Registration button.

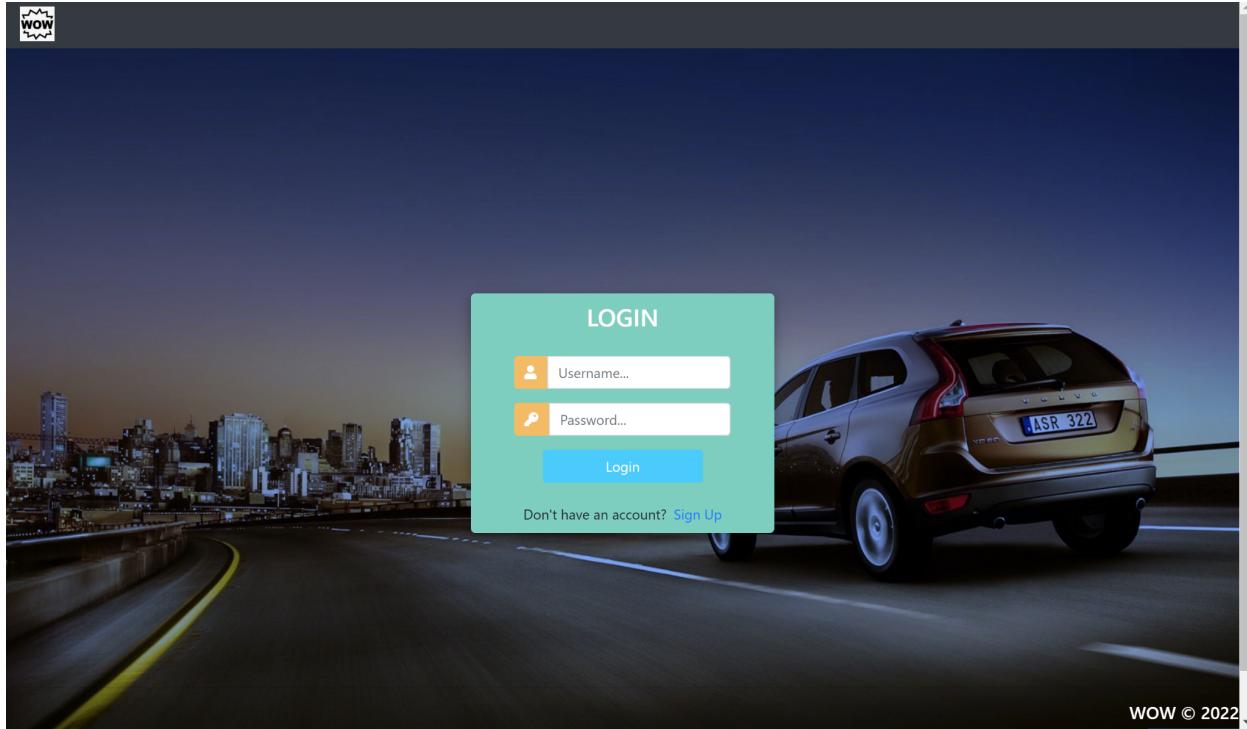

Register Page

The customer should fill in all the details, else respective errors will appear.

A screenshot of the website's register account page. The page has a teal header that says "REGISTER ACCOUNT". Below the header is a vertical list of form fields, each preceded by an orange icon: "First Name" (person), "Last Name" (person), "Email" (envelope), "Username" (person), "Password" (key), "Re-enter Password" (key), "Phone Number" (phone), "Country" (globe), "State" (map), "City" (location pin), "Street" (location pin), "Customer Number" (receipt), and "Zip Code" (map). At the bottom of the form is a teal button labeled "Register Account". Below the form, there is a link that says "Already have an account? [Login](#)". The background of the page is a blurred image of a city skyline at night and a Volvo SUV driving on a road. In the bottom right corner, there is a small watermark that reads "NewCarWallpaper.com" and "WOW © 2022".

Login Page

The customer should be registered before Logging in. The same Login is used for both admin and customer users. If the user gives a wrong username or password, an error message will appear and the user is not allowed to log in.

Admin Portal

- When the admin logs in, the home page of the admin contains the count for total cars, total vehicles and total invoices present. It also displays the table for Vehicle Inventory, Rental locations and Invoice generated.
- The admin has the access to Add Vehicle and Add Location in the website.
- The admin can also update and delete the vehicle details.
- When the Update button is clicked, the admin can update the vehicle with the correct details.
- The admin has the ability to delete the vehicle information from the portal if the vehicle is not present in the location.
- When the Add Vehicle button is clicked ADD RENTAL VEHICLE FORM page is opened and the fields are to be filled by the admin.
- Similarly, when the Add Location button is clicked ADD RENTAL LOCATION FORM page is opened and the fields are to be filled by the admin
